INVITATION TO SUPPORT THE CGA-IGC & THE 2026 CGA-IGC ANNUAL MEETING

To Our Valued Industry Partners and Exhibitors,

The Collaborative Group of the Americas on Inherited Gastrointestinal Cancers (CGA-IGC) is the premier professional society dedicated to clinical care, research, and advocacy for families with hereditary gastrointestinal cancers. CGA-IGC members are internationally recognized thought leaders who help shape national guidelines, policies, and clinical practice standards in the field. Whether you have supported us for years or are considering a partnership for the first time, we welcome the opportunity to work with you in 2026 and beyond!

Our Annual Meeting is the flagship event in this field – renowned for its cutting-edge science, clinical paradigm shifts, and dynamic discussions. We are excited to host the 2026 Annual Meeting in Denver, Colorado. We anticipate exceptional attendance and meaningful opportunities for our sponsors to network with a highly engaged, multidisciplinary membership eager to learn about your products and services.

CGA-IGC also engages with its members year-round. We have monthly journal scans to highlight the latest publications, webinars and podcasts to meet the educational needs of our membership, and an active presence on social media to connect with the medical community at large. We look forward to continuing to grow these efforts, both through volunteerism of our members and with the support of our sponsors.

We remain steadfast in our commitment to advancing the science that informs patient care. CGA-IGC proudly supports research grants, travel scholarships, and collaborative research initiatives - programs that expand the reach and impact of hereditary cancer research. We welcome your involvement in sustaining and growing these important efforts.

CGA-IGC deeply values the partnership from our Industry Sponsors and Exhibitors. Much of our work to advance the science and clinical care of inherited GI cancers would simply not be possible without your help. Thank you for your interest in supporting our society and programs. In this prospectus, you will find opportunities for sponsorship and collaborations, and we look forward to discussing these with you at any time.

Sincerely,

Elana Levinson, MS, MPH, CGC, CGAF
