

Learner Notification

The Collaborative Group of the Americas Inherited Gastrointestinal Cancer
2026 CGA-IGC Annual Meeting
November 2, 2026 - November 4, 2026
Denver, CO

Acknowledgement of Financial Commercial Support

No financial commercial support was received for this educational activity.

Acknowledgement of In-Kind Commercial Support

No in-kind commercial support was received for this educational activity.

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Joint Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and The Collaborative Group of the Americas Inherited Gastrointestinal Cancer. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Amedco Joint Accreditation Provider Number: 4008163

Professions in scope for this activity are listed below.

Physicians

Amedco LLC designates this live activity for a maximum of 20.00 *AMA PRA Category 1 Credits™* for physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Objectives - After Attending This Program You Should Be Able To

1. Assess current and emerging approaches to the detection, surveillance, and management of hereditary gastrointestinal cancer syndromes.
2. Incorporate multidisciplinary, evidence-based strategies into the clinical care of patients and families with inherited gastrointestinal cancer risk.
3. Analyze recent advances and ongoing challenges in hereditary gastrointestinal cancer research and their implications for clinical practice.

Disclosure of Conflict of Interest

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each individual in a position to control the content disclosed to Amedco. All of these relationships were treated as a conflict of interest, and have been mitigated in accordance with S3: 1-5, JAC 12c.

All individuals in a position to control the content of CE are listed below.
